

## **PRESS RELEASE**

*Presentation of the Italian Ambassador to Chile*  
Ministry of Foreign Affairs "La Farnesina" – Rome  
September 25<sup>th</sup>, 2018

The Chairman of EIE GROUP Srl, Ing. Gianpietro Marchiori, accompanied by the Chief Marketing Officer, met today at the Ministry of Foreign Affairs "La Farnesina" the newly elected Ambassador of Italy in Chile, On. Batocchi.

The Italo Chilean Entrepreneurial Association (ACIC) was also present at the meeting, of which EIE GROUP is a member, in the person of the President, Avv. Massimiliano Sammarco.

The Ambassador gathered the testimonies of the participating Organizations and Companies, focused on the Country System that Italy must pursue in international relations, proposing a bargaining table in order to jointly define the guidelines for the development and growth of opportunities and relations between the two countries.

EIE GROUP Srl is an EPCC Company of excellence in the international industrial scene, leader in Management and Contracting, Engineering and Design, Production and Services, in the fields of Astronomy, Astrophysics and Great Science, as well as in the development of machines, equipment and integrated systems for industry and science.

On international markets for 30 years, EIE GROUP has specialized in the development of industrial and civil projects paying particular attention to the systemic aspects that characterize the astronomical construction sector, becoming the reference point in the international industrial scene for the realization of Telescopes, Radiotelescopes, Astronomical observatories and scientific instrumentation, with particular engineering assets and consolidated skills in the manufacture, assembly and management of mechanisms and plants.

EIE GROUP Srl has its Headquarters in Venice, integration areas in Lecco and offices in Santiago de Chile
